

FPMAT CPD Programme 2017 - 18

FPMAT CPD Programme is designed to provide staff with a range of opportunities to develop professionally. The FPMAT CPD Programme runs in conjunction with the individual schools' CPD programmes, with specific sessions covering all aspects of education. The programme offers opportunities for co-construction across the MAT, with colleagues from each school hosting and facilitating training.

Sessions marked in blue are led with staff from Finham Park and Finham Primary.

Sessions marked in green are hosted by each of the MAT schools in turn. CPD Twilight Sessions – will aim to start at 3:15 and finish at 4:15 (unless otherwise stated).

Staff from across the MAT are welcome to attend any CPD session. Please use the booking form via the FPMAT website and the following link to sign up for CPD sessions:
